CENLA Society Dinner and CE with Nate Lighthizer

Diamond Grill

924 3rd St

Alexandria, LA 71301

06:00 PM - 08:00 PM CST

Michell Sullivan, 469-734-4301

msullivan1@laeyeandlaser.com

Hey y'all,

It's time for our 2nd Quarter Society Meeting, and we're excited to welcome a true leader in our profession, Dr. Nate Lighthizer, for 1 hour of CE.

Dr. Lighthizer will be speaking on a topic that has become very familiar to all of us: Demodex and XDEMZY. His expertise, insight, and practical approach always make for an outstanding program, and this is one you won't want to miss.

We hope to see a great turnout as we host one of optometry's most respected educators and speakers. Please make plans to join us and help us give Dr. Lighthizer the warm Cenla welcome he deserves.

We will have an OAL Update following the dinner presentation.

Respectfully,

Mitchell Sullivan

Cenla President

Brett Bennett

Immediate Past President, OAL
