Hey there, docs! I hope you will all be able to attend the upcoming Northeast Society Meeting on 2/19/26 at Monroe's Restaurant sponsored by our local Alcon Pharmaceutical Rep, Tim Hazelwood. Tim has scheduled a very familiar face as a guest speaker for our meeting, Dr. Pam Theriot, who will give us some useful clinical information about Alcon's newest prescription drop, Tryptyr. Please respond to the invitation if you will or will not be in attendance so Tim can have an accurate head count for the restaurant.

Also, I hope all of you have been doing OK following the winter storm, as I'm sure all of your practices have been affected in some way. As a reminder, if there is anything the OAL can assist with in the storm's aftermath, please call or text the OAL at 337-607-5102.

Looking forward to seeing y'all there!

Hello everyone,

We are excited to invite you to our first society meeting of the year. This meeting is generously sponsored by Alcon.

Mr. Tim and Dr. Pam Theriot will be presenting on Tryptyr, a newly FDA-approved eye drop for the treatment of dry eye. We look forward to learning more about this innovative therapy and the impact it may have on patient care. 1h of non TPA CE will be offered. A Society meeting will follow to update everyone on all that's happening in Louisiana Optometry.

Join us as we reconnect, enjoy great company, and experience a new restaurant location in Pineville. We are looking forward to a wonderful evening of education and camaraderie. Please RSVP using the link attached in this message.

We hope to see you there!

Respectfully,

Phil Carney & Brett Bennett
